Annual Report 2024-25

Mission Statement

Carbon Valley Help Center's mission is to help people in immediate need move toward self-sufficiency by utilizing Carbon Valley Resources.

Vision Statement

The Carbon Valley Help Center assists community members who are experiencing food and household insecurity and leads them to achieve their potential.

This annual report offers a moment to reflect on what was accomplished thanks to the generosity of our donors and community partners. Your support made a real difference, and we are grateful to share a few highlights from the year:

- The CVHC participated for the tenth year in the United Power Roundup Program which assists United Power customers in paying past due bills for utilities and rent.
- The CVHC successfully held the 10th annual Empty Bowls Project fundraiser. The funds raised are used to provide client assistance grants.
- The CVHC launched its **Adopt A Shelf** program, ensuring our pantry shelves remained stocked.
- Thanks to the continued generosity of our donors, CVHC remains open two days per week. Two part-time staff members and a dedicated group of volunteers ensure the pantry and front desk operate smoothly.
